Your taxpayer dollars are making a difference!

Rural schools rely on taxpayer support to lessen the gap in state funding for programming. With your support, we can achieve our mission of growing strong students that are well prepared for lifelong success by investing in the programs that foster academic success.

Your taxpayer dollars have contributed to:

- ☑ Free Preschool for 3 and 4-year-olds
- ☑ After school and summer childcare programs
- ☑ Smaller class sizes
- ☑ Health career courses, CNA certification classes, and EMT credential classes
- ☑ Agricultural programs such as pesticide application, OSHA, and CDL certification
- ☑ Elective classes that offer college credit such as physics, pre-calculus, college algebra, and animal science
