Hello Families:

We are writing to make all parents of junior and senior students aware of the opportunity to enroll in second semester college course options that offer both high school and college credit. Students must be in good academic standing (Juniors 3.2 GPA and Seniors 2.8 GPA), pass the ACCUPLACER exam, and be accepted into the program(s) to be eligible for these college-level options.

***College Level Coursework Options for second semester include:***

***Concurrent Courses:*** Classes offered at WCA and taught by WCA teachers

***eCampus Classes at WCA:*** Online courses through MState

**TIMELINE:**

All juniors and seniors who are interested will meet Monday morning (October 16<sup>th</sup>) with Mr. Wood in the media center during advisory. Students who have already taken the ACCUPLACER are eligible to register for courses with Mr. Wood. Student should have their ID number with them for this Monday morning meeting.

Students who need to take the ACCUPLACER will fill out a request to test. This request to test document is due Wednesday, October 18<sup>th</sup>.

**ACCUPLACER tests will be held October 25<sup>th</sup> in the morning at WCA.**

This is the only WCA testing opportunity for spring semester. All college registrations are due October 30<sup>th</sup> at 3:30 p.m.

Respectfully,

Claire Vincent  
WCA Principal
